BIG FIRE AT FORT WORTH

FIRE IN STOCKYARDS DISTRICT DOES DAMAGE ESTIMATED AT \$350,000.

TWO BLOCKS WIPED OUT

Hundreds of Valuable Animals Perished Miserably in the Flames.

Fort Worth, Tex., March 14.—Fire, which started among the commission men's horse and mule barn on the south side of Exchange avenue, North Fort Worth, at 6 o'clock this morning, swept ten acres of buildings, pens and sheds as bare as the bald prairie and left the ground covered only with smoldering ashes and the half roasted carcasses of a thousand or more valuable horses, prize winning hogs and high-grade sheep and goats.

No such disastrous fire in connection with the live stock industry has ever been recorded in the Southwest. The financial loss is placed at above \$350,000, roughly estimated. The loss to the owners of the standard-bred stallions and the mares, mules, hogs and sheep is almost irreparable.

Total number of head of horses, mules, sheep and hogs destroyed by the fire is given in round numbers at 1,500—the majority being hogs and sheep. Live horses in the barns numbered about 2,500, live sheep 300 and live hogs, 2,000. Most of these escaped. One person claims to have counted 1,400 carcasses of dead animals in the ashes.

It is believed that the flames were started by a lighted cigarette or cigar carelessly tossed in a pile of hay.

The burned district is on the opposite side of the street from the Live Stock Exchange Building and the Fat Stock Show Coliseum. It adjoins the Swift packery cattle shutes on the east and extends to Marine Creek on the west. From the streets the smoldering ruins extend back several hundred yards, formerly occupied by huge barns, stock pens and the sheds which covered them. The pens and sheds were built of pine and other similar inflammable material which was well seasoned and dry. This ignited quickly and burned like kindling wood, causing the fire to spread with great rapidity. Hundreds of the animals were suffocated by the smoke and afterward burned. Their carcasses, especially in the sheep and hog divisions, strewed the ash-covered ground like boulders and in some instances lay in heaps of ten to twenty-five, where an entire penful of swine had perished in one group.

HOSIER KITCHEN CABINETS

SMITH
203-5 W. Main St.

One of the pioneer merchants of Ada is I. Harris, the clothier. His stock is always the most up to date the market affords, and his customers are always satisfied with his treatment as is shown by the steady growth of his business from a small beginning to its present dimensions. Read his ad in this issue of the News.

W. H. Ebey has purchased the J. E. Jones place on 17th street and as soon as some repairs and improvements can be made, will move to it. Judge C. A. Galbraith purchased his interest in the house at present occupied by the two families.

The Grand Leader plans to open its spring trade by offering some bargains that will interest even the most indifferent. This store is now snugly settled in its new quarters and better prepared than ever to handle the big trade it has always enjoyed.

Our lady readers should pay close attention to the Model Millinery ad in this issue. Mrs. Kenny has been hard at work arranging her goods and now has everything in fine shape for the inspection of her customers.

FRESH CANDIES

We received last week 36 pails of delicious "Red Band Candies," which is of New York City make, which I believe is the greatest line of candy on the market today. Marshmallow Drops, Walnut Bon-Bons, Chocolate Dates, Coconut Bon-Bons, all flavors. Cream Dates, Spanish Cream Fudge, all flavors, and many other kinds too numerous to mention in this space. The price for any of it is 12c a pound.

STONEWARE. A very large shipment received — churns, crocks and jars, all at 10c per gallon.

EXTRAORDINARY Prices on Shoes and Oxfords—Too numerous to describe and quote prices on. A trial and warranted line that you will be delighted with.

HOSIERY—For Misses and Children, fine class ribbed, sold by some at 25c, our price 15c a pair. Hosiery for ladies—most any thing you want and a special price on one lot of 10c per pair, sold in the regular way 15c.

ST. ELMO DRAWS

LARGE AUDIENCE

Manager Harry Parks of the City Hall opera house, always has an eye to the wishes of the public when he books an attraction for Ada. Hence, he knew what he was about when he secured the New York company for a performance last evening of the celebrated drama, "St. Elmo."

The house was crowded with an appreciative audience, and no one went away disappointed. The company did splendid work and the portrayal of the characters in the powerful novel was something far above the ordinary. In fact, it was an occasion that marks an epoch in the entertainments of Ada.

CRUCE SIGNS JUDICIAL DISTRICTING BILL

Oklahoma City, Ok., March 14.—The judicial redistricting bill of the last legislature was approved by Gov. Cruce late today, and with the emergency clause attached, became effective at once.

Five new judgeships are created, one giving Oklahoma county the third district judge, which the governor filled tonight by appointing W. R. Taylor, democratic county committeeman. Other appointments are in districts composed of Pushmataha, Choctaw, Bryan and Marshall, which has two judges, one to be appointed; Harmon, Jackson, Swanson and Tillman, one judge; Garfield, Alfalfa, Kingfisher, Woodward and Major, two judges, one to be appointed, and Craig, May's and Ottawa, one judge.

Telephone message to the Executive office revealed that the district court was in session at Vinita hearing a felony case when information of the bill being approved reached there, causing the court to take a recess. It is now questionable whether the defendant in the case can be placed on trial again for that offense. The governor gave no intimation when he would make other appointments, although there are a large number of applicants. A. A. McDonald and Isaac Orme of Hugo and V. B. Hays of Durant are applicants for the appointment in the Bryan-Choctaw district. The bar of Choctaw county has endorsed Orme and that of Bryan county has endorsed Hays.

A runaway enlivened things on the streets for a few minutes this morning. The team started with a wagon from near the postoffice. One horse broke loose but the other continued the run until he ran into another team near the M. & P. bank, causing them to run also. Fortunately, however, these horses were stopped before much damage was done.

WOODMEN CIRCLE TEAM OF

ADA WINS FIFTH PLACE

In the competitive drill of the teams from the various Woodmen Circle groves of the state at the head camp at Shawnee yesterday, the Ada team won fifth place. Ardmore won first honors, Shawnee third and Oklahoma City fourth. The Ada team consisted of the following ladies: Mrs. E. T. Wetherington, captain; Miss Cole, Mrs. Geo. West, Miss Chilcutt, Mrs. Sneed, Mrs. Patterson, Mrs. Barron, Miss Ganey, Mrs. Foster, Miss Turnbull, Mrs. Harrington, Mrs. Poole, Miss Maud Green, Mrs. Hurst, Mrs. Fauntleroy, Mrs. Kirby, Mrs. Cloud and Miss Anita Poole, the team musician.

Mesdames Wetherington and Poole were the delegates from the Ada Grove and Mrs. W. J. Reed was a visitor at the meeting. All returned this morning except the two delegates.

Want Veto for School Land Bill.

Oklahoma City, Ok., March 14.—Senator R. M. Roddie of Ada and others who opposed the sale of the school lands without first submitting the question to a vote of the people are trying to persuade Gov. Cruce to veto the Barefoot bill, which provides for the sale of all the remaining school lands. They claim that the bill as it passed the legislature is chiefly in the interest of the school land lessees and not the school children of the state; also that the people of the state who are vitally interested in the disposition of the school lands should first be consulted on the subject. There is some talk that the bill will be submitted to a referendum vote by petition, in case the governor approves it.

Mrs. M. C. Whitmore will leave tonight for Dallas where she will join Mr. Whitmore and make a visit to New Orleans. She has lived in Ada for about three years and leaves many friends to regret her loss to the town. She was one of the most active charity workers who ever lived here and will be badly missed both by her co-workers and the recipients of her bounty.

PRISONERS TAKEN TO PENITENTIARY

This morning Sheriff Lem Mitchell and Constable Joe Foster left for McAlester with the following prisoners who were sentenced to the penitentiary at the recent term of district court: John Jenkins, manslaughter; Will Reynolds, horse theft; Fred Copeland, same; Elmer Story, larceny; Bud Davis, same. All of this bunch received light sentences, the heaviest being that of Jenkins for four years.

A Milk Man and a Church Member.

What would you think of a milk man who rarely made his rounds. His irregularity would preclude his being useful. A church member who rarely goes to church is about as useful to the community as the milkman who neglects his run. When did you go to prayer meeting last? Turn over a new leaf and pull your own weight in the church. Go to the mid-week services somewhere tonight. The Christian church invites you. Eph. 1st chapter will be lesson.

The W. C. T. U. Says.

A vote for Mr. Hounshell is a declaration of the people that we want good men at the head. Officers are often blamed for non-enforcement of law when really the people are to blame. Let every man do his duty.

Arbor Day Proclamation.

In keeping with the spirit of the law which wisely sets aside a day encouraging the planting, protection and preservation of trees and shrubbery and the beautifying of the premises and grounds of our public schools, I hereby call the attention of the school authorities of the state to Friday, March 17, as the day that has been so set aside and urge them to induce the pupils in their charge to take some active part in planting trees and shrubs and in beautifying their school grounds and premises or otherwise observing in a satisfactory way the spirit of this day.

Respectfully,

R. H. WILSON,
State Supt. Public Instruction.

H. S. Williams, Charley Laseman and Bud Morris passed through this morning enroute from Shawnee, where they had been attending the meeting of the head camp of the W. O. W. They were members of the drill team from Fitzhugh camp which took part in the competitive drill of the uniform rank. Joe Smith is captain of the team and has made it one of the best in the county.

Chisholm Barnett and Dr. Castleberry returned from Fort Worth this morning where Chisholm went to have an operation performed on his eye. About ten days ago a small piece of gravel struck him in the eye and it had to be removed.

FALSE ALARM

TURNED IN

About 9:30 this morning some one phoned in a fire alarm, giving the location as West 18th street. The fire wagon headed the usual procession of autos, buggies, wagons, bicycles to the scene of supposed danger, but all there was of the fire was a small pile of trash burning on the school yard. A disgusted crowd made its way back to town.

WILL VOTE ON SECTION 9, ARTICLE 9, APRIL 25.

Oklahoma City, Ok., March 14.—Fears that the legislature erred in submission of the proposed amendment to Section 9 of Art. IX of the constitution, by failure to provide a ballot title, were eased up today by opinions from attorney that it was the Attorney General's duty to prepare a ballot title and certify the same to the secretary of state. M. L. Webb, member of the legislature from Hugo, called on Secretary of State Harrison today and delivered a ballot title and a certified copy of the proposed constitutional amendment. A duplicate was mailed to the Attorney General's office in Guthrie. By terms of the resolution it goes to vote of the people April 25.

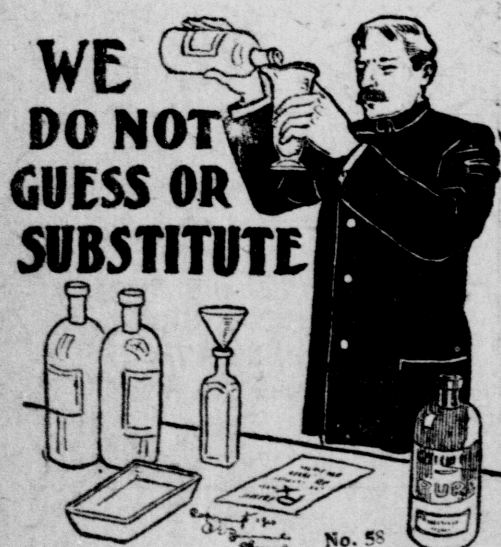

OKLAHOMA BUTCHER BECOMES A GENERAL

Muskogee, Ok., March 14.—Gen. N. Stanley, a soldier of the revolution in Mexico, and the officer who yesterday accepted the new order of Diaz suspending constitutional guarantees, and in reply declared that he would shoot on sight any officer of the Mexican federal army, is said to be a former Oklahoma butcher, who for six years sold meat at Henryetta, near here.

J. H. Kellogg, former mayor of Henryetta, today admitted that Stanley, who was the local butcher in his town, is the head of division of the insurrecto army conducting the campaign near Algorones. During the Spanish-American War Stanley was with Roosevelt at San Juan and received what military training he has in that campaign.

Charley Brown and family, who spent the winter here, returned yesterday afternoon to their home at Goldfield, Nevada.

REAPING WHAT THEY SOWED.

This morning we were at the depot
when Sheriff Mitchell left with a
squad of prisoners who had been sen-
tenced to terms in the penitentiary.
Four of these were young white men
who had stepped from the path of
rectitude and who must now pay a
penalty that will cloud their entire
future.

Not content with what they could
earn by honest labor, three of them
had taken what belonged to others.
The fourth had in a period of dissi-
pation and a sudden fit of anger
taken the life of another. While con-
demning their crimes we can but feel
pity for these misguided boys. Per-
haps they did not fully comprehend
the seriousness of their actions, and
being too weak to resist temptation,
fell. It is to be hoped that their bit-
ter experience will bring them to a
full realization of the error of their
ways and that they will so profit by
it that when set free they will make
useful citizens.

The saddest feature in cases of this
kind is that the convicted ones are
not the only sufferers. Their loved
ones must also bear a portion of the
burden of the disgrace, although in-
nocent of wrong doing themselves.
It is an inflexible law of nature that
no man can live to himself. His ac-
tions necessarily bring reproach on
the innocent, and this in itself should
act as a powerful incentive to live
right. The esteem of one's friends
should be a powerful stimulant to
right living.

The wild geese and ducks have al-
ready winged their way to the north-
ward. The woods are beginning to
take on a tinge of green. The budding
poets are singing their praises of
the goddess of spring. Talk of fish-
ing is being heard, and the germs of
laziness are making themselves felt
in the veins of the editor. Do we need
to note any other sign to convince
even the most skeptical that spring
is really at hand?

Read the advertising columns of
the News with care. These firms are
the most progressive and enterprising

ey. Also you will do both the mer-
chants and the News a favor by men-
tioning the fact that you read their
ads in this paper.

H. A. Blackburn of Conway, return-
ed from Fort Worth last night where
he took his son Volney for medical
attention. About two weeks ago Vol-
ney was struck in the eye by a stick
of stove wood which he was cutting.
The sight seemed to have been en-
tirely destroyed by a growth that
set up, but the surgeon has hopes
of being able to restore it.

The district court is still occupied
with the damage suit of Dan Ship-
man against the cement company.
Every inch of ground is being fought
over and the case may take up the
greater part of tomorrow.

“I was a great sufferer for 2 years and
was very weak, but I learned about Car-
dui, and decided to try it. Now I am in

“My daughter, when changing into

“Cardui is worth its weight in gold. I
recommend it for young and old.”

Being composed exclusively of harm-
less vegetable ingredients, with a mild
and gentle medicinal action, Cardui is
the best medicine for weak, sick girls

It has no harsh, powerful, near-pois-
onous action, like some of the strong
minerals and drugs, but helps nature to
perform a cure in a natural easy way.

CANNOT BURY CUNNINGHAM IN MASONIC TEMPLE

Guthrie, Okla., March 13.—Dr. E. G. Sharpe, county health officer, Monday night refused to issue a burial permit for the interment of the body of Judge Harper S. Cunningham, who died at Long Beach, Calif., two days ago, in a vault within the walls of the Scottish Rite Temple here, a vault prepared especially to receive the body of Cunningham after death. Sharpe says a city ordinance forbids any interment within the city limits and therefore if buried here the body of Cunningham must go to Summit View cemetery north of Guthrie. Cunningham was to have been buried within the temple because he was the father of Scottish Rite Masonry in Oklahoma and the builder of the temple.

CURING CATARRH

Accept Our Advice and Try this
Remedy at Our Risk.

Catarrh is a disease of the mucous membrane. The mucous membrane is, one may say, the interior lining of the body. Catarrh therefore may exist in any part of the system.

When the catarrhal poison attacks the mucous membrane, inflammation and congestion are produced and nature fails to throw off the accumulated poisons. The organ which has been afflicted ceases to perform its proper function as nature intended it should. The result is, complication upon complication, which may lead to other even more serious afflictions.

We honestly believe Rexall Mucutone will do wonders toward overcoming catarrh. It is made from the prescription of an eminent physician who made a long study of catarrh, and his great success with this remedy was an enviable one.

We want you if you are a sufferer from catarrh in any form, to give Rexall Mucutone a thorough trial. Use it with regularity and persistence for a reasonable time, then if you are not satisfied, come back and tell us, and without question or formality we will hand back to you every cent you paid us. This is certainly the fairest offer that any one could make and should attest our sincerity of purpose. It comes in two sizes, prices 50 cents and \$1.00. Remember you can obtain it only at—The Rexall Store, The Gwin & Mays Drug Company.

Kidney Troubles Attack Ada Men and Women, Old and Young.

Kidney ills seize young and old. Come quickly with little warning. Children suffer in their early years. Can't control the kidney secretions. Girls are languid, nervous, suffer pain.

Women worry, can't do daily work. Men have lame and aching backs. The cure for man, woman or child. Doan's Kidney Pills reach the cause.

The following testimony proves it. Mrs. C. B. Barksdale, of Holdenville, Okla., says: "A little over a year ago a member of my family had occasion to use a kidney remedy. At that time the person afflicted was suffering a great deal from sharp pains through the small of the back. There were other symptoms of kidney trouble and when a friend advised a trial of Doan's Kidney Pills, a supply was procured. Relief followed in a few days and continued use removed every symptom of kidney trouble. There has been no return attack."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
